Local Legislative Staff Officer I

Dear Sir Turks,

The City Disaster Risk Reduction and Management Department (CDRRMD) hereby endorses the **revised Memorandum of Agreement (MOA) between the City Government of Cagayan de Oro and Xavier University – Ateneo de Cagayan (XU-Ateneo de Cagayan)** to institutionalize the partnership for the packaging of the **Climate and Disaster Risk Assessment (CDRA) Report 2026**, incorporating the comments and recommendations of the City Legal Office (CLO).

This matter was previously endorsed to your Office through **CDRRMC Resolution No. 009-2025**, entitled *"A Resolution Recommending the Institutionalization of the Partnership between the City Government of Cagayan de Oro and Xavier University – Ateneo de Cagayan for the Packaging of the Climate and Disaster Risk Assessment (CDRA) Report 2026."* A letter requesting the endorsement to the City Council for the enactment of the appropriate **Sangguniang Panlungsod (SP) Resolution/Ordinance** was received by the Office of the City Mayor on **January 8, 2026**. Subsequently, the CDRRMD endorsed the aforementioned CDRRMC Resolution to your Office, which was received on **March 5, 2026**.

At the time of the previous endorsement, the proposed MOA was still under review by the CLO and was therefore not yet attached to the documents forwarded to your Office. The CDRRMD was likewise awaiting the approval of the Training Design, which contains the budgetary provision for the technical service fee to be paid to XU-Ateneo de Cagayan.

We are pleased to inform your Office that the **revised MOA, incorporating the comments and recommendations of the CLO, is now available**, together with the **approved Training Design**. The Training Design was reviewed as to training framework and curriculum by **Ms. Xsyclyn Faith B. Lumbatan, RPM, Officer-in-Charge, Human Resource Management Office**, reviewed as to budgetary consistency and requirements by **Atty. Percy G. Salazar**, and subsequently approved by **City Mayor Rolando "Klarex" A. Uy**.

The payment for the technical services of XU-Ateneo de Cagayan shall be charged against the **Trust Fund 2025 – LDRRMF – Quick Response Fund (QRF)** and the **70% DRRM-MOOE Remaining Balance CY 2024 (CAF 19 SEP 2025)**, as indicated in the approved Training Design.

Considering the need to proceed with the packaging of the CDRA documents by XU-Ateneo de Cagayan and the subsequent review and approval of the completed CDRA output by the CDRRMC, we respectfully request that this matter be given priority and included in the agenda of the City Council's upcoming session.

In this regard, we respectfully endorse the revised MOA and supporting documents to your Office for your expeditious consideration and appropriate action, particularly for the enactment of the Sangguniang Panlungsod Resolution/Ordinance authorizing the City Mayor to enter into and sign the said MOA.

For your reference and appropriate action, we have attached the following documents:

1. Four (4) copies of the Revised Memorandum of Agreement incorporating the comments and recommendations of the CLO;
2. Approved and signed Training Design;
3. City Mayor's Request Letter to the Honorable City Council;
4. CDRRMC Resolution No. 009-2025; and
5. Other pertinent supporting documents.

We trust in your kind assistance and consideration of this urgent matter. Thank you for your continued support to the City's disaster risk reduction and management initiatives.

Respectfully yours,

NICK A. JABAGAT
