

MEMORANDUM

ORDER NO. MM 184-2026

TO: ALL CITY GOVERNMENT OFFICES, DEPARTMENTS, AND UNITS

SUBJECT: REVISION OF THE STANDARD ACTIVITY DESIGN, TRAINING DESIGN,
AND PROGRAM OF WORK (POW) FORMAT

DATE: August 08, 2026

In line with the City Government's continuing commitment to gender-responsive and inclusive governance, and pursuant to the approval of the City Mayor, all City Government offices and departments are hereby directed to adopt a revised **Activity Design, Training Design, and Program of Work (POW)** format that shall include a distinct **GENDER MAINSTREAMING** section.

PURPOSE

The inclusion of the Gender Mainstreaming section is intended to ensure that gender considerations are integrated into the **planning and design of regular government programs, activities, and projects**.

It will require offices to identify, where applicable, differences in the needs, participation, access, opportunities, and benefits of women and men, and to incorporate appropriate measures in the design and implementation of the activity.

This requirement does **not** mean that every activity is a GAD activity or should automatically be attributed as GAD-related. Rather, it institutionalizes gender analysis as part of regular government planning.

REVISED FORMAT

Effective immediately, the standard format shall contain the following:

1. Title
2. Rationale
3. Relevance to RISE Agenda
- 4. GENDER MAINSTREAMING**
5. Objectives
6. Intended Beneficiaries
7. Expected Output
8. Budgetary Breakdown
9. Source of Funds
10. Post-Activity Events
