**THE HONORABLE PRESIDING OFFICER and
THE HONORABLE MEMBERS OF THE SANGGUNIAN PANLUNGSOD,**
This City

SUBJECT: URGENT REQUEST TO PASS A RESOLUTION RESPECTFULLY REQUESTING HONORABLE SENATOR ERWIN T. TULFO FOR THE ALLOCATION OF LOCAL GOVERNMENT SUPPORT FUND (LGSF) ASSISTANCE FOR THE ACQUISITION, INSTALLATION, TESTING, AND COMMISSIONING OF A TRAFFIC SIGNAL MODERNIZATION PLAN FOR THE CITY OF CAGAYAN DE ORO, WITH A TOTAL PROJECT COST OF ONE HUNDRED NINETY-SEVEN MILLION PESOS (₱197,000,000.00)

LADIES AND GENTLEMEN:

This refers to the proposed Resolution respectfully requesting Hon. Senator Erwin T. Tulfo for the allocation of Local Government Support Fund (LGSF) assistance for the acquisition, installation, testing, and commissioning of a Traffic Signal Modernization Plan for the City of Cagayan de Oro, with a total project cost of One Hundred Ninety-Seven Million Pesos (₱197,000,000.00).

The proposed Traffic Signal Modernization Plan seeks to address the growing traffic management and road safety challenges brought about by rapid urbanization and the increasing volume of motor vehicles within the City's key intersections and major thoroughfares. The project aims to replace outdated traffic signal systems with modern, smart, and energy-efficient traffic signal infrastructure, optimize traffic signal timing, integrate intelligent transportation management systems, and significantly reduce the risk of vehicular accidents, thereby improving traffic flow and overall urban mobility.

The requested financial assistance under the Local Government Support Fund (LGSF) will support the acquisition, installation, civil works, testing, commissioning, and related site development necessary for the implementation of the Traffic Signal Modernization Plan. The undertaking is likewise aligned with the national government's vision for sustainable infrastructure development and is intended to contribute to a safer and more efficient transportation system for the City's residents and visitors.

In view of the importance of this initiative in modernizing the City's traffic signal infrastructure, improving vehicular traffic flow and road safety, and addressing the increasing traffic management challenges brought about by rapid urbanization and motor vehicle growth, may I respectfully request the Sangguniang Panlungsod to treat this matter as urgent, and to enact the proposed Resolution at the soonest possible time.

Hoping for your favorable and prompt action on this request.

Thank you.

Truly yours

ROLANDO A. UY
City Mayor
