Dear Ma'am,

In behalf of the affected residents of no access way to the main road / No - ROAD - RIGHT - OF - WAY - at San Vicente, Carrates Extension, District 3, Barangay Puntod. 1, Clavel Abledightour would like to ask your good office regarding the status of the Barangay Resolution No. 221-11-2024 of Barangay Puntod, entitled "A Resolution Favorably requesting Honorable Robando A. Uy, City Mayor, Cagayan de Oro City to allocate Funds for the payment of just compensation pursuant to Local Government Code of 1991 Rule VI Eminent Domain - Expropriation Proceeding (Article 36), for portion of Lot 1164 and Lot 1167, located at Carrates Extension, San Vicente, District 3, Barangay Puntod, this City.

Last September 4, 2025, the City Council Committee On Subdivision, Housing Development and Landed State together with Atty. Cabanbis, City legal staff, Barangay Kapitan Alexis Dacer and some of kargawads and also attended by Engr. Tony Nagao the fencing contractor of Hannen family - the lot owner, conducted an occubar survey and since then, we, the affected residents don't receive any formal feedback letter from City legal Office. Last October 2025 Our Brigat Kapitan Alexis Dacer informed us that the said Barangay Expropriation, was not granted. we asked a copy but he cannot provide and just telling us to go to the Office of Atty. Cabanbis. We just find it estranged since The Barangay, who was the one, who made the Barangay Resolution and submitted it directly to the City Mayor Office, should be the

the Barangay or the Barangay must be the one to ask a copy of the result. The residents were dismayed or disappointed that until now there is no formal letter or a copy of the said result if it was true.

And Secondly, We would like to ask or humbly request to your good office a copy of Barangay Captain Alexis Dacer's Barangay Resolution for its appropriate action to our problem to be solve. If there is such copy that he submitted.

Hoping for your kind Consideration!

Thank You Very Much!

Respectfully Yours
