Dear Honorable Members of the Cagayan de Oro City Council:

Warm greetings!

We respectfully write to inquire about the possibility of conducting a **Lakbay-Aral** to the Cagayan de Oro City Council for a delegation composed of representatives from **five (5) Sangguniang Bayan in Lanao del Sur**.

The purpose of this learning visit is to provide our local legislative officials with an opportunity to **observe your regular session**, learn from your legislative practices and procedures, and gain valuable insights that may be adapted to improve the performance and effectiveness of our respective Sangguniang Bayan.

In particular, we would be grateful if one of your Honorable Councilors could spare time to conduct a short discussion or sharing on the following:

1. **The powers and functions of the Sangguniang Panlungsod**, including its role in local legislation and governance; and
2. **The importance of a legislative tracking system**, particularly in monitoring proposed ordinances and resolutions, committee actions, agenda items, and the status of legislative measures from filing through approval or disposition.

We believe that the experience and best practices of the Cagayan de Oro City Council would be a valuable learning opportunity for our delegates and could contribute to strengthening legislative processes and institutional practices in our respective municipalities.

We would be most grateful for your kind consideration of this request. We are willing to coordinate with your office regarding the **preferred date, schedule, number of participants, and other requirements** for the visit.

Thank you very much for your time and consideration. We look forward to the possibility of learning from the distinguished members and staff of the Cagayan de Oro City Council.

Respectfully yours,

Yusoph Khadafi M. Pangandaman
