Subject: Follow-Up on the Status of Documents and Requests

Dear Arturo S. De San Miguel:

Warm greetings!

We respectfully write to follow up on the status and progress of the documents and requests previously submitted to your Committee concerning the following matters:

1. Declaration of the subject property as Cadastral Classification;
2. Conversion of the property into Public Domain and Patrimonial Property of the Government; and
3. Request to the City Engineer for the technical description of the surveyed lot.

We would greatly appreciate any update regarding the status of these documents and the actions already undertaken by the concerned offices. Should there be any additional requirements, supporting documents, or necessary steps that our office needs to comply with, we would be grateful to be informed accordingly.

We respectfully request your kind assistance in facilitating and following up on these matters, as the documents are important to the continued processing and resolution of the property concerned.

Thank you very much for your time, assistance, and continued support. We look forward to your favorable response and guidance on the next steps.

Respectfully yours,

IAN GLENN L. CHIU
