REMARKS

Greetings!

Xavier Philharmonia is a student-led organization orchestra based in Xavier University that promotes music appreciation, artistic excellence, and creative education through orchestral performance. The organization provides opportunities for musicians to develop their skills through concerts, workshops, recitals, chamber music, and educational engagements, while bringing classical and contemporary orchestral music closer to the university and the wider community.

Through its performances and learning initiatives, Xavier Philharmonia aims to nurture its members as skilled and well-rounded musicians, strengthen the professional practice of music in Mindanao, and cultivate a lasting appreciation for orchestral music within the community.

"Growing Pains: A Xavier Philharmonia Y2K Concert" is envisioned as a celebration of the 2000s as a transformative period that shaped a generation. The concert serves as a musical love letter to the songs, memories, and people that accompanied us from childhood into adolescence and contributed to who we are today. Through the concert, XP hopes to create a meaningful experience that celebrates nostalgia, growth, and the enduring impact of music.

The **Xavier Philharmonia of Xavier University – Ateneo de Cagayan** respectfully requests an **exemption from the payment of amusement tax** for its sponsored concert play, **"Growing Pains: A Xavier Philharmonia Y2K Concert,"** which will be held on **December 02-03, 2026, at the XU Little Theater**. A total of 600 tickets for the entire concert, with each ticket priced at **₱150.00**.

We respectfully seek the **City Government of Cagayan de Oro's approval of our request for exemption from the payment of amusement tax** for the concert. This exemption would greatly support the organization's efforts to make the concert accessible to the community and further its mission of promoting music education, artistic excellence, and cultural appreciation.
