Subject: Reply to the First Endorsement Relative to the Letter of Intent in Support of the Verified Appeal of Crown Stationer Corporation for the Issuance of Locational Clearance Variance/Exception

Dear Hon. Cabanlas:

Respectfully returned is your First Endorsement concerning the Letter of Intent in support of the Verified Appeal of **Crown Stationer Corporation**, represented by its President, **Mr. Farley U. Sy**, requesting the issuance of a **Locational Clearance Variance/Exception** for its proposed commercial storage facility situated at **Zone 4, Pasil, Barangay Kauswagan, Cagayan de Oro City**.

In compliance with your endorsement, this Office conducted an evaluation of the documents submitted by the applicant. Based on the evaluation, the following findings were noted:

1. Only **twelve (12) lots** have been verified and were found to have supporting documents.
2. Based on the submitted lot plan, there are approximately **twenty-three (23) lots** comprising the project area. However, supporting documents were submitted for only twelve (12) of these lots.
3. Approximately **four (4) lots** have corresponding documentary submissions but are **not reflected in the submitted lot plan**.
4. Consequently, several lots indicated in the submitted lot plan have **no corresponding supporting documents**, while some documented lots are **not included in the submitted lot plan**, resulting in inconsistencies that require clarification and reconciliation.

Further evaluation revealed that the applicant has yet to comply with the following documentary requirements prescribed under the **Checklist Requirements for CZBA Applications**:

- Site Development Plan with **Building Plans**;
- Complete supporting documents for all affected lots (Tax Declaration, Transfer Certificate of Title, and/or Deed of Sale, as applicable);
- Environmental Compliance Certificate (ECC);
- Traffic Impact Assessment (TIA); and
- Drainage Impact Assessment (DIA).

It is likewise noted that the applicant manifested its intention to undertake and submit the **Traffic Impact Assessment (TIA)** and **Drainage Impact Assessment (DIA)** as part of the requirements for the application.

In view of the foregoing, this Office respectfully recommends that the applicant be required to complete and submit all the lacking documentary requirements, particularly the complete supporting documents for all affected lots and the necessary technical studies, to facilitate the proper evaluation and processing of its application for a **Locational Clearance Variance/Exception**.

Attached herewith are the evaluation findings and supporting documents for your reference and appropriate consideration.

This endorsement is respectfully submitted for your information and appropriate action.

Yours Respectfully,
